PUBLIC SERVICES DEPARTMENT

G.O. No. 2572, 20th October 1948

Public Services—Corruption—Tribunal for Disciplinary Proceedings recommended by Corruption Enquiry Committee—Sanctioned and Establishment and rules regarding scope and powers of Tribunal—Orders passed.

Order—No. 2572, Public (Services), dated 20th October 1948.

The post of Special Officer (Departmental Enquiries) was sanctioned in 1944 primarily because departmental officers had not the time, and in some cases, enough grasp of the procedure to conduct departmental disciplinary enquiries against Government servants with the result that in many instances the Government and the Madras Public Service Commission had reason to complain of serious defects and irregularities of procedure, necessitating re-enquiry. The Corruption Enquiry Committee which was constituted in 1947 has, besides others, recommended the retention of the post of Special Officer (Departmental Enquiries) but under a different designation, namely, "Tribunal for Disciplinary Proceedings". The Government accept the recommendation of the Committee and, since there are now a Special Officer and an Additional Special Officer for Departmental Enquiries, sanction the employment for a period of one year from the 1st January 1949 of two officers with judicial experience not below the rank of District and Sessions Judge, who will constitute the Tribunal. The scope and the powers of the Tribunal will be as shown in the rules appended to this Government Order which will be published in the *Fort St. George Gazette*.

Cases which are pending trial on the 31st December 1948 with the Special Officer and Additional Special Officer (Departmental Enquiries) will be taken over by the Tribunal which comes into existence on the 1st January 1949.

2. Sanction is also accorded for the employment in the office of the Tribunal for a period of one year from the 1st January 1949 of the following staff, viz. :—

One Superintendent—Rs. 145—5—190.

Two Upper Division clerks—Rs. 90—3—105—5—135 for persons appointed by tranfer from the post of Upper Division Clerks in the Judicial Department; Rs. 80—3—95—5—125 for others.

One Lower Division Clerk—Rs. 45—3—60—2—90.

Two Steno-typists—Rs. 45—3—60—2—90 plus shorthand special pay.

Seven peons—Rs. 16—½ (annual)—25.

If any of the existing incumbents of corresponding posts in the office of the Special Officer (Departmental Enquiries) are appointed to these posts they will continue to draw pay in the scale in which they are drawing pay prior to their appointment in the office of the Tribunal.

3. The expenditure is debitable to a new sub-head of account "Tribunal for Disciplinary Proceedings" under 25 j. General Administration—Secretariat and Headquarters Establishment—Civil Secretariats." The opening of the following sub-heads of appropriation and detailed account heads is also sanctioned :—

Sub-heads of appropriation.	*Detailed account heads.*
1 Pay of Officers ..	..
2 Pay of establishment ..	..
3 Other charges	Travelling allowance. Other compensatory. Dearness allowance. Contingencies.

Pending provision of funds, the Accountant-General, Madras, is requested to admit the expenditure in audit.

APPENDIX.

In exercise of the powers conferred by section 241 (1) (*b*) and (2) (*b*) of the Government of India Act, 1935, and of all other powers hereunto enabling, His Excellency the Governor of Madras hereby makes the following rules.

Rules.

1. (*a*) These rules may be called the Madras Civil Services (Disciplinary Proceedings Tribunal) Rules, 1948.

(*b*) They shall come into force on the 1st January 1949.

(*c*) They shall apply to all Government servants under the administrative control of the Government.

2. In these rules—

(*a*) 'Corruption' shall have the same meaning as "criminal misconduct in the discharge of official duties" under section 5 (1) of the Prevention of Bribery and Corruption Act (Act II of 1947);

(*b*) 'Government' means the Provincial Government;

(*c*) 'Tribunal' means the Tribunal for Disciplinary Proceedings.

3. (*a*) The Tribunal shall consist of two judicial officers of the status of District and Sessions Judge, who may sit together or singly as may be decided by them having regard to the importance of the case and the status of the accused officers.

(*b*) Appointment to the Tribunal shall be made by the Government.

4. The Government may, subject to the provisions of rule 5, refer to the Tribunal—

(*a*) cases relating to Government servants on a monthly salary of Rs. 150 and above, in respect of matters involving corruption on the part of such Government servants in the discharge of their official duties;

(*b*) all appeals to the Government from Government servants against disciplinary orders passed by heads of departments and other competent authorities on charges of corruption; and

(*c*) any other case or class of cases which, the Government consider, should be dealt with by the Tribunal:

Provided that cases arising in the Judicial Department and against Government servants in the subordinate ranks of the Police forces of the rank of Sub-Inspector and below shall not be referred to the Tribunal.

5. (*a*) In every case referred to in clauses (*a*) and (*c*) of rule 4, on completion of investigation, the Special Branch of the C.I.D. or other departmental authority concerned, shall forward to the Government all the records of the case.

(*b*) The Government shall, after examining such records and after consulting the Head of the Department concerned, if necessary, decide whether the case shall be tried in a Court of Law or by the Tribunal.

(*c*) If the Government decide that the case shall be tried by the Tribunal, they shall send the records to the Tribunal.

(*d*) In any case where the Head of the Department is not consulted, he shall be informed of the action that is being taken.

(*e*) When the Tribunal is seized of the case, the staff of the Police and concerned departments shall help the Tribunal in securing the necessary documents, in the production of witnesses and in such other ways as the Tribunal may desire.

(*f*) An officer deputed by the Special Branch of the C.I.D. shall, for the purpose of the enquiries before the Tribunal, act as the Director of Prosecutions.

6. (*a*) The Tribunal may in its discretion co-opt an assessor to assist it. The assessor shall be an officer of the department to which the Government servant charged belongs, having a rank higher than that of the Government servant charged. In no case shall the rank of an assessor be below that of a gazetted officer or of a district head of the department concerned.

(*b*) For the purposes of sub-rule (*a*), in any case where more than one Government servant is charged, the assessor shall be an officer above the rank of the highest Government servant charged.

7. The Tribunal may sit at such places as it may determine with due regard to the convenience of the parties concerned and expenses involved.

8. (*a*) Notwithstanding anything contained in rule 15 of the Madras Civil Services (Classification, Control and Appeal) Rules, the following procedure shall be adopted by the Tribunal in conducting enquiries in cases of corruption:—

As soon as the records relating to allegations of corruption against a Government servant are received, the Tribunal shall frame appropriate charges, communicate them to the Government servant concerned together with information as to the date of enquiry into the charges and a list of witnesses likely to be examined in respect of each of the charges. Copies of statements taken by the Special Branch of the C.I.D. in the course of the investigation shall not be communicated to the Government servant but they shall be furnished to him at the commencement of the enquiry in order to enable him, if necessary, to cross-examine the witnesses. At the enquiry, oral evidence shall be heard and the person charged shall be entitled to cross-examine the witnesses, to give evidence in person and to have such witnesses called as he may wish, provided that the Tribunal may, for special and sufficient reasons to be recorded in writing, refuse to call a witness. After the enquiry has been completed, the person charged shall be entitled to put in, if he so desires, a written statement of his defence or argue the case in person or through a pleader. The proceedings shall contain a sufficient record of the evidence and a statement of the findings and the grounds thereof.

(*b*) After the enquiry has been completed, the Tribunal shall send its findings and recommendations to the Government. After the Government have arrived at provisional conclusions in regard to the penalty to be imposed, the person charged shall be supplied with a copy of the report of the Tribunal and be called upon to show cause within a reasonable time, not ordinarily exceeding one month, against the particular penalty proposed to be inflicted. Any representation in this behalf submitted by the person charged shall be duly taken into consideration by the Government before final orders are passed.

(*c*) Where the officer concerned has absconded or where it is for other reasons impracticable to communicate with him or where he does not take part in an enquiry, the enquiry shall still proceed.

(*d*) All or any of the provisions of sub-rules (*a*) and (*b*) may, in exceptional cases, for special and sufficient reasons to be recorded in writing, be waived where there is difficulty in observing the requirements of those sub-rules and the requirements can be waived without injustice to the person charged.

(*e*) The provisions of the Madras Civil Services (Classification, Control and Appeal) Rules shall apply—

(i) in regard to the procedure to be followed in cases other than those of corruption; and

(ii) in regard to any other matter for which no specific provision has been made in these rules.

9. Notwithstanding anything contained in the Madras Civil Services (Classification, Control and Appeal) Rules, the Government shall be the authority competent to impose a penalty in cases enquired into by the Tribunal. The advice of the Tribunal will ordinarily be accepted. If the advice is to be rejected or deviated from, the reasons for such rejection or deviation shall be communicated to the Tribunal and the remarks of the Tribunal in regard thereto shall be taken into consideration before passing orders.

PUBLIC (SERVICES) DEPARTMENT

G.O. No. 2933, 29th November 1948

Public Services—Temporary appointments and promotions under the emergency provisions—Resort to communal regulations—Instructions issued.

Order—No. 2933, Public (Services), dated 29th November 1948.

The Government have had occasions of late to notice that appointing authorities resort to making temporary emergency appointments and promotions [under General Rules 9 (*a*) and 31] on a large scale and without regard to communal considerations. One result of this is that the services are flooded with a large number of unqualified persons and in several instances most of such appointments go to members of one or two particular communities.

All Heads of Departments and appointing authorities are reminded of the fact that emergency appointments and promotions under general rules 9 (*a*) and 31 can be made only under the circumstances mentioned in those rules. The Government now direct that in respect of pos s to which regular appoinments should be made according to the communal rotation or proportion method, even emergency appointments should, as far as practicable, be made in accordance with the relevant communal rule; and in cases where Harijans are not available for temporary appointment in the turns allotted to them, candidates from the Backward Hindu communities should be selected.

Steps should be taken to replace candidates so appointed or promoted by regular candidates at the earliest possible moment.

In the Government Order read above, the Government ordered that the members of the "Servaikarar" community in the Nanguneri taluk of the Tirunelveli district should be designated as " Nadars " in all public records. In connection with a suggestion to apply these orders to the entire Tirunelveli district, some members of the communities affected have represented that they are opposed to the proposed change as well as to the change already ordered. As the opinion of the members of the communities affected by the change is found to lack unanimity, the Government have decided to restore the *status quo ante*.
